PRESIDENT'S REPORT

Dear friends and colleagues of the Olympic movement in Western Australia.

I stand before you today as we embark on one of the most difficult fundraising challenges the Western Australian Olympic Council (WAOC) has faced in its long history in Western Australia.

Whilst the content of the report I am about to hand down focuses on the 2014 calendar year, we find ourselves here late in April, some 15 months away from the commencement of the Rio Olympic Games which commence in Brazil on the 5th August 2016.

FUNDRAISING

We are fresh off working with the Australian Commonwealth Games Association WA Division (ACGAWA) in meeting their fundraising target of \$150,000 to send off last year's Australian Commonwealth Games Team and find ourselves in Western Australia in a climate of economic uncertainty which makes our target a tremendous challenge for our WA Team Appeal Committee (TAC), the WAOC Executive and our office.

Nevertheless it's a challenge which we accept and we will pursue with vigor.

We accept the baton and the fundraising challenge knowing our partners in the joint office, the ACGAWA, achieved success, highlighted by their ultimate fundraising event, the 'Team Send-Off Dinner'.

The funds raised contributed to the ACGA national fundraising target of \$6.5 million, and enabled WA athletes and official to attend the XX Commonwealth Games in Glasgow. It was delivered through yet another successful event fundraising campaign anchored by our WATAC under the Chairmanship of J Barrey Williams and his Deputy Chair Graham Moss, and resulted in the ACGAWA team appeal target of \$150,000 being achieved. Much more will be said about the ACGAWA fundraising campaign by my colleague and WAOC Vice President Gratton Wilson in his annual report to the ACGAWA membership.

As advised at the WAOC AGM last year, the joint arrangement with the ACGAWA sees our fundraising program as a cyclical process whereby in the first two years we seek funds for the ACGAWA team appeal and in the following two years in the lead up to the Olympics, we seek funds for the WAOC team appeal on behalf of the Australian Olympic Committee.

As a result we now face the challenge of raising a further \$800,000 over the next 18 months to support the athletes and officials of the Australian Olympic Team bound for Rio in 2016.

The WAOC does however have a broader charter than just fundraising.

The WAOC was established in 1947 and played a vital role in that year in raising funds to support WA athletes selected for the 1948 Olympic Games.

It has since continued helping local WA athletes and officials to this day, and continues to work with athletes of all ages maintaining and promoting the ideals of the Olympic movement through the AOC Olympic Education Program, conduct of the Pierre de Coubertin Awards, and reaching out to the youth of Western Australia, thus ensuring the Olympic sport traditions and values are used to teach life values and life skills. Our WA Olympians continue to meet with the community in various forums and are recognized for the positive impact their participation in sport has on life and particularly in the eyes of the younger generation.

We are however as I said, fundamentally committed to achieving financial support to enable WA athletes to pursue their dreams. It is therefore important to note that 100 % of the funds raised in WA go to the Australian Olympic Team Appeal, thereby further spreading the message and values of the Olympic movement.

STAFFING AND RESOURCES

It is because fundraising is such a key element of the WAOC's program of activities, that we continue to pursue events and business houses that can successfully support the achievement of our target.

Notwithstanding, the recruitment of capable and professional staff and 'high profile' business leaders is a challenge, but one that is fundamental to us achieving our success.

As reported last year, we undertook a review and embarked on reestablishing a sole Executive Officer in the joint office with contract administrative support. This not only enabled a rationalization of employment costs but refocused the energy of the WAOC and ACGAWA Joint Executive on the fundraising element of our respective organisations.

With the focus on event delivery and fundraising, we recruited a former member of the WATAC in Jeff Healy in late 2013 and subsequently, during 2014, his business partner Anita Bell as Event Manager. Jeff brought knowledge and experience to the role particularly in the area of marketing and promotion. However from Jeff's perspective, the broader aspects of the role were not as challenging as expected and it was with regret that we saw both he and Anita leave the office during quarter 3 last year to pursue greater personal business challenges. In the interim both played a significant role in delivering the ACGAWA fundraising target culminating with the successful delivery of the Team Send-Off Dinner.

Since their departure after that event, and in recognition of the significant economic circumstance WA finds itself, it was appropriate that we as the WAOC Executive question our capacity and resources to deliver our \$800,000 fundraising target.

To that end, I took the action of approaching the AOC with a view to seeking their support in recruiting membership and support of the WA Team Appeal Committee to deliver what I believe remains an imposing, yet achievable target. That approach is currently coming to fruition and I am confident of being able to announce a significant addition to the Committee and a restructure which will see more hands on support, particularly in the area of ticket sales and member business recruitment.

Further, as a result of an extended staff recruitment

search we will shortly be announcing a new Executive Officer to oversee the functions and duties of the WAOC office and to manage the successful delivery of Team Appeal Committee events.

Suffice to say, the hiatus in delivery of the changes for the WATAC and the office of the ACGA/WA and the WAOC, have required significant time contribution from both myself and ACGAWA President Gratton Wilson as we have strived to create a sustainable organizational structure which will deliver our core business outcome in what are demanding economic times.

I thank Gratton for his significant commitment to the joint office and service as President of the ACGAWA and Vice President of the WAOC. I know he stands down to enable appropriate commitment to his family and business interests and I look forward to working with his successor. Gratton's nomination to Life Membership of the ACGAWA is well deserved after over 20 years of commitment.

The ACGAWA / WAOC office having been restructured to a new single operational and fundraising structure with contracted expertise where required, will provide a cohesive and productive one stop shop for all our internal and external stakeholders. Furthermore, our office relocation to the new WAIS building will place us in everyday contact with many of those stakeholders and we are grateful to WAIS for offering us the opportunity to reside in their new facility at a time when our former hosts Channel 7 Perth Pty Ltd at Tuart Hill, are consolidating under one roof with parent Company Seven West Media in Osborne Park.

We are eternally grateful for the long standing support of Channel 7 which has seen the WAOC operate rent free for in excess of a decade.

OPERATIONS

Financial

Financially the WAOC achieved a modest surplus in 2014 largely as a result of operating without an Executive Director and Fundraising Manager over the last quarter. Our AOC funding continues to be capped at 28% of target fundraising income, and along with our Contract for Services funding through the Department of Sport and Recreation (DSR) remains the only income source to sustain our office.

As member organizations, I put a call out to you, your volunteers, your Olympic alumni and program partners to assist us in sustaining our programs and activities. I urge you to contact our office and introduce yourselves as members, athletes, alumni or TAC members to our new EO and assist them by providing any advice, support or contacts that may assist us in delivering our business objectives.

I refer you to our financial report for further detail on our financial position for 2014.

Joint Office

The joint office arrangements pursued over the last 2 quadrennials, have transformed the way we operate and provide significant benefits to both organisations, including a joint office venue located in WA's major sporting precinct and central to WA business, joint staffing arrangements, access to professional personnel and office equipment, and storage facilities for memorabilia and heritage items.

Membership

The WAOC now has membership totaling 26 Constituent Sports, 7 Recognized Sports and 3 Associate Sports. Quite appropriately, State Sporting Organizations (SSO's) sometimes question the relevance of the WAOC in today's sporting environment and I'm reassured that they recognize and acknowledge not only the local presence of the Olympic movement in WA, but the support, recognition, promotion and fundraising that we deliver directly for their athletes and with their athletes, as they pursue their Olympic aspirations.

The WAOC Executive nevertheless is keen to further engage with member sports and have them more directly involved in achieving our fundraising target as

the funding so raised directly benefits their athletes participation in the Olympic arena.

If member sports are able to assist by raising funds towards the WAOC's team appeal target, we would be only too willingly to promote and acknowledge your contribution..

Australian Olympic Committee

As President of the WAOC I again took the opportunity to attend the AOC AGM and State Olympic Council Workshops.

As such the magnitude of the AOCs' operations have become more transparent to me in recent years, and I find the opportunity for information sharing and exchange of ideas and initiatives with the AOC staff and other SOC's invaluable.

To that end I have also taken the opportunity to ensure our office staff attend as well and get an induction with the AOC Sydney office and staff and become more familiar with the AOC administration and financial systems.

Liane Tooth in her capacity as President of the WA Olympians Club of Australia also attended the Olympians Club AGM in 2014 and has by way of separate report in this annual report, advised of initiatives and activities happening at national level to the WA chapter.

Western Australian Institute of Sport (WAIS)

We continue to have an excellent and strong relationship with WAIS and have worked closely with them in maintaining the currency and accuracy of our respective athlete databases as their program athletes aspire to become 'Olympians', and also in maintaining our ongoing relationships with those who have already achieved Olympian status.

Through our relationship with DSR and WAIS we now look forward to being co-located in the new WAIS facilities which aside from staff office accommodation requirements, will ensure our proximity to stakeholders and athletes within the WA sporting system, and also provide secure containment of our heritage and museum pieces which are part of the WAOC Olympic memorabilia collection.

Department of Sport and Recreation: Contract for Service

Our ongoing Contract for Service with the WA Department of Sport and Recreation (DSR), articulates areas of common interest and activity where the joint office of the WAOC (along with the ACGAWA) is best placed to deliver on outcomes. We thank the Department for its ongoing support and discuss some of the KRA areas below:

KEY RESULT AREAS

Governance

Throughout the year we continued to progress organisational governance and management practices with a key focus being the review of respective constitutions, strategic plan objectives and staffing arrangements going forward. In addition we maintain appropriate financial reporting, an ongoing advocacy role for the Olympic movement in WA, and representation on relevant industry groups.

Olympic Games History, Heritage and Promotion

Maintenance of the historical information and records of the WAOC in respect of Western Australian athlete and officials participation at the modern Olympic Games is a priority and we work with the AOC and the Western Australian Institute of Sport to maintain the currency and accuracy of athlete participation and their progress in pursuing selection to the coming Olympic Games. We also maintain an accurate database of the WA alumni.

We also look forward to a presence at the proposed WA Sports Museum but at this stage of development, I am not in a position to update any further.

Education and Promotion

The WAOC has a solid relationship with the Olympians Club of WA and it is so pleasing to see the continuation of the enthusiasm and vigor that Olympian Liane Tooth

has brought to that alumni.

Wherever possible, we engage Olympians Club members and increase their presence and exposure to WAOC activities, regional and community events. We also invite current 'aspirational Olympic athletes' to volunteer along with Olympians Club alumni to maintain a strong presence in the community with other athletes, acting as role models in encouraging and motivating participation in sporting endeavors and reinforcing positive health messages to country and metropolitan Western Australia through our local and regional tour initiatives such as the Champions 2 Country regional tour conducted in 2014 and supported by DSR funding.

Athlete Services and Development

Because of limited attendances and resourcing, we have not continued with regional fundraising events in association with regional tours.

Athlete and sport mentoring and advice are provided on an as needed basis and I take the opportunity to acknowledge the contribution of former TAC member Howard Read in initiating our initial athlete mentoring program way back in 2008.

Howard's contribution to the TAC as a member and Deputy Chair, as a member of the WAOC Executive, as a businessman, and as wise counsel to myself will be sorely missed and I take this opportunity to publicly acknowledge his contribution and support.

WA TEAM APPEAL COMMITTEE AND FUNDRAISING

As advised earlier, the WAOC Team Appeal Committee has been capably led by Chairman and business and community identity J Barry Williams and his Deputy Graham Moss. In 2013/2014 the result of that fundraising was delivered to the ACGAWA.

As we enter the 2015/2016 fundraising period of the quadrennial, I am pleased to advise that J Barry has

accepted a part-time appointment as Executive Director of the WATAC as we re-engage with the WA business community in pursuit of our \$800,000 target.

Whilst I am not at liberty to announce the new chairmanship and membership of the WATAC for 2015/2016, I look forward to renewed enthusiasm and membership within the committee as fundraising gains momentum and we rapidly progress towards our WA Olympic Team Members Farewell Dinner in July 2016.

Funds raised by the WATAC will contribute towards the WAOC target and towards the \$7.8 million target of the State Olympic Councils (SOC) for and on behalf of the AOC Team Appeal.

As in previous years, sponsorship, licensing and marketing programs are vested in the AOC; and our team appeal contribution is restricted to monies raised through the conduct of high profile events, the State Government's 1/3 target contribution on behalf of the Western Australian people and other donations.

I would like to extend my sincere thanks to all the volunteer businessman and women who make up the membership of the WATAC and look forward to their continued support.

I again wish to acknowledge key long term supporters the West Coast Eagles Football Club whose generous annual contribution of \$10,000 underpins the commencement of our fundraising period.

Furthermore, I wish to acknowledge the ongoing support of the Carbine Club as committed advocates for the WAOC with their annual fundraiser to support the Olympic movement and athletes in Western Australia.

And whilst I acknowledge and appreciate the generous contributions of the corporate partners who sit on the WATAC, the State Governments' ongoing commitment of one third of our team appeal target is to be commended in these difficult economic times. It is an essential and welcome contribution in launching our appeal target.

It would be remiss of me not to acknowledge the great working relationship and indeed personal relationship I have had with Minister 'Tuck' Waldron. His enthusiasm and support for the initiatives and direction of the WAOC have been a stabilizing influence and we have appreciated his unwavering commitment to the cause. We look forward to a similar fruitful arrangement with the new Minister.

CONCLUSION

As we single mindedly progress our fundraising objective in 2015, I look forward to further engaging with our membership and the delivery of our renewed TAC events program.

My appreciation goes to the staff and volunteers of 2014 including Jeff Healy and Anita Bell and to the support contract personnel who have assisted the Joint Office. Also the welcome return in a part-time capacity of Melissa Magini (nee Joss) to oversee the Regional Tour and the production of this report and AGM.

I also extend my appreciation to the members of the WAOC Board and Joint Executive for their unwavering support during a difficult time and particularly thank those retiring members. The work of the WA Team Appeal Committee and corporate business partners is instrumental in achieving our aims and I also thank those supporters from the WAOC alumni, especially the Olympians Club of WA.

I again acknowledge the contribution of Seven West Media for the many years in providing office and storage space and resources at Channel 7 Perth, and of course the State Government through the Department of Sport and Recreation and staff particularly Ron Alexander, the retired Hon. Minister 'Tuck' Waldron for his personal support, the City of Perth, the Western Australian Institute of Sport and our patrons.

My thanks also to the AOC and staff for their understanding and support with the changeover in staff and administration during 2013/2014, and particularly the support and assistance for our WATAC initiative. Also to departing AOC staff members Craig Phillips and Jocelyn Webb for their invaluable support and roles during their respective tenure with the AOC, and particular recognition and congratulations to James Edwards, General Manager National Fundraising and Community Programs on his new appointment. Also we congratulate Fiona de Jong on her appointment to Secretary General of the AOC as it embarks on new initiatives to continue its role as a foremost leading National Olympic Organization within the International Olympic Committee. We look forward to the ongoing support that her appointment has brought to the position and the relationship with the SOC's.

OLYMPIANS CLUB OF WA REPORT

*“Once an Olympian, Always an Olympian.
Never Past, Never Former”*

I am pleased to present the 2014 President's Report on behalf of the Olympians Club of WA.

The aim of the Olympians Club in WA (OCWA) is to bring together Olympians from all eras and sports in the spirit of the Olympic Movement. We share a unique bond as Olympians and members of a small and elite group in the Olympians Club.

It has been a challenging period for the OCWA Executive with little administrative support being available from the WAOC due to staffing issues, compounded by the closure of the WAOC office due to the redevelopment of the Channel 7 site. With the imminent opening of the new WAIS building, the WAOC will soon have a new home, and staffing will also soon be resolved, so the OCWA is looking forward to improved support in 2015.

Despite the above challenges, the OCWA continues to enjoy a great relationship with the WAOC and I take this opportunity to thank them for the support they provide to the OCWA.

The OCWA Executive met on 4 occasions during 2014, as well as extra 'business' conducted by email in between meetings. The OCWA is constantly on the lookout for social events to keep our West Aussie Olympians engaged and entertained.

OCWA FACEBOOK PAGE

The OCWA Facebook page provides an extra platform to connect alumni that are keen to enjoy each other's company, stay involved in OCWA events and rekindle the spirit of the Olympics within each and every Western Australian Olympian.

OCWA GYMNASTICS CHETKOVICH CUP EVENT

In October, the OCWA hosted an event in conjunction with the Chetkovich Cup, a team event featuring performances from all 7 disciplines of gymnastics over a single night. Olympians Club members and their

families were treated to a gymnastics spectacular, including the showcasing of 4 WA Olympians: Lauren Mitchell, Olivia Vivian, Emily Little and Janine Murray. The pre-event function provided an opportunity for social interaction whilst enjoying scrumptious food and a drink. An extra level of excitement was enjoyed as a few Olympians had the opportunity to judge the Allana Slater Medal for the 'wow factor'. It was an enjoyable day full of excitement, with a crowd-pleasing, unconventional and fun filled performance by Olivia Vivian on the uneven bars.

OCWA CHRISTMAS LUNCHEON

Our annual Christmas Function was held on 30th November 2014 at the Cambridge Bowls Club. The event was attended by 78 people, 44 of which were Olympians who between them have attended 89 Games (and won 12 Medals - 6 Gold, 4 Silver, 2 Bronze), with representation from every summer games since 1956. It was a festive occasion and a great opportunity for our WA-based Olympians to catch up with friends and team members, reflect on their Olympic experiences and to celebrate the upcoming festive season.

OCWA Executive members Allana Slater and Jesse Phillips again MC'd the event and did a great job. Jesse and Allana also interviewed a number of our alumni: father and daughter Eddy and Belinda Brooks who reflected on their water polo experiences at the 1976 and 2004 Olympics; Brian Glencross (Hockey) who reflected on the 1964 Olympics held 50 years ago; and Ric Charlesworth (Hockey) who recently retired after an incredible 7 Olympics - 4 as an athlete and 3 as coach.

Allana Slater with Brian Glencross

We conducted our regular Christmas raffle, with many of the items donated by fellow Olympians and we thank them for their generosity and support. The proceeds (\$860) were again donated to Mission Australia's Perth Christmas Lunch in the Park for the disadvantaged.

Mr Andy Stewart[#] (Water Polo 1980)

Ms Olivia Vivian (Gymnastics 2008)

[#] *Resigned – effective at 2014 AGM.*

The OCWA will continue to look for opportunities to host functions in conjunction with local sporting events and Olympic milestone anniversaries.

OLYMPIANS CLUB OF AUSTRALIA

In May I again attended the annual meeting of the Presidents of the various State Olympians Clubs, as well as the AOC AGM as the OCWA delegate. It was a great opportunity to discuss common issues, share ideas and hear about activities being conducted in other states, as well as being updated about relevant AOC/IOC activities.

AOC AUSTRALIAN OLYMPIAN ALUMNI

The AOC's Australian Olympian Alumni aims to increase its engagement with Australian Olympians. Key strategies include a dedicated contact at the AOC for Athlete and Olympian Services (Megan Sissian), an Olympians group on *LinkedIn*, a dedicated web page, monthly e-news, quarterly newsletter and a year in review publication.

In closing, I would also like to recognise the support provided by our Alumni through WAOC events and community/education/charity appearances.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2014

(1) CORPORATE INFORMATION

The financial report of the Western Australia Olympic Council Inc. ('WAOC' or the 'Council') for the year ended 31 December 2014 was authorised for issue in accordance with a resolution of the Executive on 1 April 2015.

The Western Australian Olympic Council Inc. is an Association incorporated under the Associations Incorporation Act, 1987 of Western Australia and is domiciled in Western Australia.

The principal place of business is C/- Channel 7, Perth Studios, Gay Street, Dianella, Western Australia 6059.

The nature of the operations and principal activities of the Council are that WAOC acts to develop and protect the Olympic movement in the state of Western Australia in accordance with the Olympic Charter and the Constitution of the Australian Olympic Committee Inc. and to actively promote the fundamental principles of Olympism within the framework of sports.

(2) STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The significant policies which have been adopted in the preparation of these financial statements are:

(a) Basis of preparation

This special purpose financial report has been prepared for distribution to the members of the Council to fulfil the Executive's financial reporting requirements under the Associations Incorporation Act, 1987 of Western Australia and the Council's constitution. The accounting policies used in the preparation of the financial report, as described below, are consistent with the financial reporting requirements of the Associations Incorporation Act, 1987 of Western Australia and the Council's constitution, and are, in the opinion of the Executive, appropriate to meet the needs of members:

- (i) The financial report has been prepared on an accrual basis of accounting including the historical cost convention and the going concern assumption.
- (ii) The Council is not a reporting entity because in the opinion of the Executive there are unlikely to exist users of the financial report who are unable to command the preparation of reports tailored so as to satisfy specifically all of their information needs.

The members neither hold equity in, nor are financial lenders to, the Council and their membership is pursuant to the Olympic Charter as well as the Constitution.

Accordingly, the financial report has been prepared in accordance with the Associations Incorporation Act, 1987 of Western Australia and the Constitution, the basis of accounting specified by all Accounting Standards and Interpretations and the disclosure requirements of AASB 101 'Presentation of Financial Statements', AASB 107 'Cash Flow Statements', AASB 108 'Accounting Policies, Changes in Accounting Estimates and Errors', AASB 1031 'Materiality' and AASB 1048 'Interpretation and Application of Standards' which apply to all entities required to prepare financial reports under the Associations Incorporation Act, 1987 of Western Australia and the Constitution.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2014

(a) Basis of preparation con't

The Executive has determined that in order for the financial report to give a true and fair view of the Council's performance, cash flows and financial position, the requirements of Australian Accounting Standards and other financial reporting requirements in Australia relating to the measurement of assets, liabilities, revenues, expenses and equity should be complied with.

(iii) The financial report is prepared in Australian dollars.

(b) Statement of compliance

Certain Australian Accounting Standards and Interpretations have recently been issued or amended but are not yet effective and have not been adopted by the Council for the annual reporting period ended 31 December 2014. The Executive has not early adopted any of these new or amended standards or interpretations. The Executive has not yet fully assessed the impact of these new or amended standards (to the extent relevant to the Council) and interpretations.

This special purpose financial report complies with Australian Accounting Standards as described above.

(c) Income and expenditure recognition

Income, with the exception of fundraising, has been brought to account on an accrual basis and if not received at balance date is reflected in the statement of financial position as a receivable. Income received at balance date that is in relation to future years is brought to account as unearned income. Expenses have been brought to account as incurred and any expenses incurred but not paid for at balance date are reflected in the Statement of Financial Position as creditors.

(d) Government Grants

Government grants are recognised at their fair value where there is a reasonable assurance that the grant will be received and all attaching conditions have been complied with.

(e) Fundraising

The WAOC undertakes fundraising on behalf of the Australian Olympic Committee Inc ('AOC') and, as a result, all net fundraising revenue realised by the WAOC is recorded directly in the financial statements of the AOC.

At 31 December 2014, the WAOC had a realised deficit of (\$5,354) for the 2013 – 2016 Olympic Team Appeal (2013: had a realised deficit (\$4,974) for the 2013 – 2016 Olympic Team Appeal).

Net fundraising revenue is proceeds of fundraising less direct costs associated with fundraising.

(f) Income Tax

The WAOC is exempt from Australian income tax.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2014

(2) STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES – con't

(g) Cash and cash equivalents

The WAOC undertakes fundraising on behalf of the Australian Olympic Committee Inc ('AOC') and, as a result, all net fundraising revenue raised by the WAOC is recorded directly in the financial statements of the AOC. WAOC does not have a bank account and for administrative purposes, all cash transactions are processed by the AOC. The net cash position is reflected in a net receivable (2013: payable) account at year end (refer note 5 (2013: refer note 8)).

(h) Trade and other receivables

Trade receivables, which generally have 30 – 90 day terms, are recognised and carried out at original invoice amount less an allowance for any uncollectible amounts.

An estimate for doubtful debts is made when collection of the full amount is no longer probable. Bad debts are written off when identified.

(i) Plant and equipment

Acquisitions

Items of plant and equipment are recorded at cost or, in the case of donations and sponsorship contributions in kind, at fair value at the time of donation or contribution, less accumulated depreciation and any impaired value.

Depreciation and amortisation

Items of plant and equipment are depreciated on a straight line method over their estimated useful lives ranging from 3 to 5 years from the date of acquisition.

Impairment

The carrying values of plant and equipment are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable.

If any such indication exists and where the carrying values exceed the estimated recoverable amount, the assets are written down to their recoverable amount.

The recoverable amount of plant and equipment is the greater of fair value less costs to sell and value in use. Value in use is the depreciated replacement cost of an asset when the future economic benefits of the asset are not primarily dependent on the asset's ability to generate net cash inflows and where the Council would, if deprived of the asset, replace its remaining future economic benefits.

Impairment losses are recognised in the Statement of Comprehensive Income.

(j) Trade and other payables

Expenditure is brought to account on an accruals basis. Any expenses incurred but not paid for at balance date are recorded as payables on the Statement of Financial Position.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2014

(k) Employee benefits and expenses

(i) Wages, salaries, annual leave and long service leave

Expenses for wages and salaries, including non-monetary benefits, annual leave and long service leave are recognised when the wages are paid or payable, benefits are received or leave is accrued and are measured at the rates paid or payable.

(ii) Superannuation

The Council contributes to the AOC group employee superannuation scheme as well as any authorised employee superannuation scheme chosen under Superannuation Legislation Amendment (Choice of Superannuation Funds). Contributions on behalf of employees are based on various percentages of gross salaries and are charged against the

Statement of Comprehensive Income when due. All employees in the group employee superannuation scheme are entitled to benefits on retirement or permanent disability. Benefits are payable to nominated beneficiaries on death.

(l) Interest

'Interest paid' and 'Interest received' are not classified in the Statement of Cash flows as WAOC has no bank account. Interest recorded and applied in the Statement of Comprehensive income has been received by the WAOC, based on deposits held by the AOC on behalf of the WAOC. Interest is recorded when received and used in the general operations of the WAOC.

(3) SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

In applying the accounting policies the WAOC evaluates judgements, estimates and assumptions based on experience and other factors, including expectations of future events. All judgements, estimates and assumptions made are believed to be reasonable based on the most current set of circumstances available to WAOC. Actual results may differ from the judgements, estimates and assumptions.

(15) GOING CONCERN

The financial statements have been prepared on a going concern basis.

The Executive has prepared a forecast for the 2015 year which indicates that with the support of the Australian Olympic Committee Inc. the council will be able to meet their financial obligations as and when they fall due.

On that basis the Executive believe it is appropriate to adopt the going concern basis in the preparation of these financial statements.

Independent auditor's report to the members of Western Australian Olympic Council Inc.

We have audited the accompanying special purpose financial report of the Western Australian Olympic Council Inc., which comprises the statement of financial position as at 31 December 2014, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, a summary of significant accounting policies, other explanatory notes and the Statement by the Executive.

Executive's Responsibility for the Financial Report

The Executive of the association is responsible for the preparation of the financial report and have determined that the basis of preparation described in Note 2 to the financial report is appropriate to meet the financial reporting requirements of the Associations Incorporation Act 1987 of Western Australia and the Council's constitution and is appropriate to meet the needs of the members. The Executive is also responsible for such controls as they determine are necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, we consider internal controls relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Executive, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit we have complied with the independence requirements of the Australian professional accounting bodies.
