Western Australia enjoys an outstanding Olympic history that dates back to 1912. The achievements of our Western Australian athletes at the Olympic Games are a source of pride for all Western Australians.

The Australian Olympic Team is the embodiment of our nation’s hopes, dreams and desires. The Team links the faces and names of past and present athletes across the boundaries of time and distance.

AUSTRALIAN OLYMPIC TEAM VALUES

The Australian Olympic Team Value Statement “A.S.P.I.R.E” is enshrined in the Team Agreement and signed by all athletes participating at an Olympic Games.

Attitude
My positive attitude is essential in overcoming obstacles to help me improve and give my best. My positive attitude is a key ingredient to success and leadership.

Sportsmanship
I recognise that sport is greater than the individual; that cheating reduces the stature of sport and all who love it; that class, race and creed are never factors in the attitude of true sports people and those who respect the virtue and values of sport

Pride
Pride drives me when the temptation is to settle for something less. I am proud to have been chosen to represent our country.

Individual Responsibility
I alone am responsible for my performance but I will be generous in acknowledging the support of others.

Respect
I respect sport, the efforts of my competitors, my team mates and officials. I respect Australia, our Olympic past and the spirit of Olympism.

Express Yourself
I have an opinion and will express my view with thought and consideration to others. In showing my emotions I do with individuality and, where possible, good humour.

Overview and Fundraising

Ladies and Gentleman,

It gives me great pleasure to present my President’s Report on behalf of the Western Australian Olympic Council (WAOC) for 2015.

As we approach the staging of the Games of the XXXI Olympiad in Rio de Janeiro in 101 days’ time, Western Australian athletes are being named as members of the Australian Team to represent their country in their chosen sports. I am personally pleased to report that the first selection of WA members to the Australian Olympic Team was indeed on March 23rd from my own sport of Canoe/Kayak with Stephen Bird, Daniel Bowker and Fernenc Szekszardi selected to represent Australia in the Sprint Canoe/Kayak discipline.

For many, 2016 will be the culmination and highlight of their sporting careers and will finally realise their enthusiasm, commitment, dedication and pursuit of excellence in the sporting arena and we wish them every success in achieving their respective individual and team goals.

In reflecting on their journey, it is easy, despite these challenging economic times in Western Australia, to understand the need and importance of the WAOC’s role in supporting fundraising by the Australian Olympic Committee (AOC) to send our team of athletes and officials on the last, and yet most important phase of their journey to represent their country with distinction and pride at an Olympic Games.

On numerous occasions in the past I have stressed the importance of our role in assisting the AOC remain independent of Government funding and being able to select and send our athletes to the Games without fear or favor, without bias and without undue political interference of that process.

Whilst the support of Government is essential to our sporting system in achieving both participation and performance outcomes in the lead up to an Olympic Games, the need for Australia to be represented on the world stage and for athletes to display their skill and prowess without the AOC and/or the athletes influenced by the political color of the day, or having to fund their own representation, is a principle which underpins our role.

With the unwavering commitment of our dedicated Olympic Team Appeal Committee W A consisting of Perth business leaders ably chaired by the Hon Richard Court AC, the WAOC is once again rising to the challenge of financially assisting the AOC to send our athletes to the Olympic Games. In excess of $20,000,000 will be required to send our contingent of approximately 450 athletes, plus officials and staff to Rio. Cumulatively the six State Olympic Councils are responsible for fundraising $8,000,000. The WAOC has been set a target of $800,000.

The impact of the GFC on the mining sector in WA remains a challenge to our fundraising initiatives, as it has historically been a business sector renowned for its support of the WA community. However, I know the Olympic Team Appeal Committee W A will not be deterred in meeting, if not exceeding our target.

With approximately 10% of the Australian team likely to be represented by Western Australian’s, it remains incumbent on us to meet our fair share of the fundraising target. And so it was with great pride that the Team Appeal Committee accepted a cheque from the WA Government and the people of WA from the Minister for Sport and Recreation Hon Mia Davies MLA in the presence of The Premier, Hon. Colin Barnett MLA, at our ‘One Year to Go’ fundraising launch

The $266,000 cheque represented 1/3 of the WAOC Team Appeal target and we are thankful that the WA Government was again able to continue its association with the WAOC and maintain their level of financial commitment to our cause.
Executive and Administration

On the organisational front, 2015 saw some significant challenges and change progressed during the year, not only within our staff but also our Joint Executive membership. The resignation of the WAOC Executive Director Jeff Healy late in 2014, ACGAWA President Gratton Wilson at the WAOC AGM in 2015, and a number of WAOC Executive in the lead up to the 2015 AGM, enabled us to implement a new office and staffing structure. WAOC Executive Officer Lisa Lilleyman, was appointed, and Executive Director Fundraising for the Olympic Team Appeal Committee WA; J Barrey Williams, was appointed after stepping down as Chair of the Committee.

With this staff restructure, we have two clear areas of responsibility, with committed and dedicated staff. Lisa in the role of Executive Officer WAOC has a key accountability to manage the office and brings significant experience and capability to the position with key responsibility for developing, maintaining and fostering our community and athlete services areas, establishing and forging long lasting relationships with our partners, supporters and suppliers, committee secretarial support, financial management, annual audits and reports, and AGM, Executive and Olympic Team Appeal Committee WA meeting preparations.

J Barrey on the other hand has a sole focus on support and delivery of the Olympic Team Appeal Committee WA fundraising outcomes through assisting Committee members with table sales and event promotion until the delivery of our final fundraising event for the 2016 quadrennial.

We also saw the appointment of a new Chair of the Olympic Team Appeal Committee WA, the Hon. Richard Court AC. We are fortunate to have someone of Richard’s caliber and status appointed to Chair the Committee and I have no doubt that Richard’s business acumen and networking capability will ensure our Team Appeal target is achieved.

If you have not had the opportunity to meet with Lisa or J Barrey, I urge you to visit our new office inside the new WA Institute of Sport (WAIS) facility, and introduce yourselves as members, athletes, or alumni and discuss where you might be able to assist in delivering our business objectives. Equally I’m sure Richard would be happy to secure any support or table sales you may be able to facilitate.

On the Executive membership front, we thanked Eamon Sullivan for bringing his profile and service to the Committee however work demands precluded his continuation in that role. We farewelled Howard Read and Liz Chetkovich and thank them for their valued contribution of their combined many years of service. We welcomed business executive Rick Elkington and Olympian Daniel Woodhouse to the WAOC Executive.

After a period ‘in between’ office locations, we relocated to the most appropriate location for our operations inside the home of elite sport in WA, the new WAIS High Performance Centre in Mt Claremont. Co-location at WAIS means our office is situated among those that are most likely to benefit from the work that we do. Equally we are fortunate to have access to and meet with athletes on a day to day basis to facilitate opportunities for both the WAOC and the athletes themselves.

We are most appreciative of the ongoing support of the Minister for Sport and Recreation Hon. Mia Davies MLA and WAIS Executive Director Steve Lawrence for their support with our office relocation. I would also like to take this opportunity to thank Seven West Media for their support over the best part of the last 3 Olympiads in providing us with free office tenancy at their Tuart Hill premises.

As we progress into the final year of our strategic plan, athlete involvement in the delivery of our fundraising outcomes and our other programs including promotion of Olympic values, Olympic team support, Olympic education, history, heritage, mentoring, regional tours, community and fellowship is essential. Being at WAIS gives us the opportunity to demonstrate and reflect the aspirations and values of the athletes through our WAOC initiatives.
The significant personnel changes during 2015 have only been possible with the support of the members of the Joint Executive of the ACGAWA and the WAOC, and enabled us to successfully transition into a new staffing structure, reinvigorate the Olympic Team Appeal Committee WA and relocate our offices whilst continuing to pursue our strategic initiatives.

I personally have been ably assisted by my Vice-Presidents Allana Slater and Sam Castiglione, who is also the new President of ACGAWA, and Liane Tooth, President of the WA Olympians Club who continues to reinvigorate and enlist the support of our WA Olympic Alumni. Jointly we pursue adherence to good governance best practice, and look towards further reinforcing the skill set of the Joint Executive as we embark on recruitment of new Executive members and development of a revised 4 year Strategic Plan.

During 2015, we also took the time and the opportunity to reaffirm our Patrons and agreed that their terms should be ongoing and consistent with the period of their respective positions, and I am pleased to be able to report their unanimous acceptance of their appointments.

The last 12 months has seen a strengthening of our relationship with the AOC through their approach to Hon Richard Court AC to Chair the Olympic Team Appeal Committee WA. I wish to acknowledge our appreciation of this approach and also take this opportunity to thank the outgoing Chair and now Executive Director of fundraising, J Barrey Williams, for his passion and commitment to the Chairman’s role over the last 2 Olympiads.

Our first major fundraising initiative was the Rio Olympic Long Table Luncheon hosted by President of the AOC, Mr John Coates AC and the Team Appeal Chairman, Hon. Richard Court AC. We were fortunate to hear John present us with his musings on the preparations for Rio 2016. Of course John is also Vice President of the International Olympic Committee (IOC) and Chair of the IOC Organising Committee for Tokyo 2020. His presentation was both entertaining and informative. I was also fortunate to join John, while he was in Perth, on his visit with Betty Cuthbert. Whilst Betty is no longer living independently with the support of longtime friend Rhonda, she was very much alert and was delighted to be able to catch up with John and reminisce over old times. She wished us well with preparations for our signature fundraising event The Premier’s Olympic Dinner (POD).

As we now rapidly close in on the staging of our signature fundraising event, I look forward to working with the AOC, business and sporting communities, our Alumni and State Sporting Associations (SSA’s), with a view to maximizing their participation in what will no doubt be WA’s ‘premier’ social occasion for 2016. The AOC will be represented by Kitty Chiller, Chef de Mission of the 2016 Australian Olympic Team, and we look forward to welcoming her and the resident members of the Australian Olympic Team in Western Australia prior to their departure for Rio. The POD Planning Sub-committee is promising to deliver the fervor and excitement that befits and would be expected of a Rio ‘Carnivale’ atmosphere. Our POD Auction Sub-committee equally is promising some unique and valuable pieces for auction on the night, so I urge you to ensure you get your table to what will be a sold out 1000 seat event.
Funding

It is incumbent on me to acknowledge that our activities in WA would not be possible without the funding model and support provided by the AOC where we work with a limited but known stipend in the 4 years of an Olympiad. Along with our grant allocation from the WA Department of Sport and Recreation (DSR) and a partnering commitment to a ‘joint office’ with the ACGAWA, we are able to commit to a diverse program of strategic initiatives to support our key fundraising outcome whilst ensuring that 100% of funds raised by the WAOC are passed on to the AOC for the benefit of the Australian Olympic Team.

The operation of the WAOC relies on a successful relationship with the ACGAWA, and operationally we are fortunate to have experienced and capable volunteer Board members, shared aspirations, activities and programs. The joint office arrangement continues to benefit the way we operate and provide significant synergies for both organisations, including the joint office venue and central business location, joint staffing arrangement, capable and professional personnel, excellent office and meeting facilities, and potentially storage facilities for memorabilia and heritage items, including our irreplaceable Betty Cuthbert Perry Lakes Stadium memorabilia piece.

We are indebted to the DSR for maintaining their commitment to the joint office and for their promotion and support of the regional Champions 2 Country Tour promoting Olympic and Commonwealth Games values in regional WA.

Whilst the financial statements will be reported by our Executive Officer in her report, I am pleased to advise that we were able to operate with a small surplus for the 2015 calendar year.

Membership and Relationships

During 2015, the WAOC initiated a program of Sundowners as ‘Meet and Greets’ to enable the Joint Executive and Olympic Team Appeal Committee WA members the opportunity to further build and strengthen the relationships between themselves, State Sporting Associations, athletes, the WA sporting community, industry and business. We believe this initiative has been successful and it will be pursued on a regular basis in the foreseeable future, so I urge you as member sports to take advantage of the opportunities when offered.

We are also keen to further engage with you as member sports and have you more directly involved in achieving our fundraising target as the funding so raised directly benefits your athletes participation in the Olympic arena. If as member sports you elect to conduct fundraising towards the participation of your sports team members, we would welcome your donation as a contribution to the team appeal and appropriately acknowledge and promote your contribution.

We will continue to foster the relationship with our Alumni in the Olympians Club and have this year extended the opportunity for them as Olympians to host our gold tables at The Premier’s Olympic Dinner. Not only as a gesture and opportunity of recognition for them, but a unique opportunity and honour no doubt for those around the tables.
VenuesWest is a new and valuable WAOC partner through the provision of our office facilities and we look to strengthen our relationship with the WA Museum. We are keen to ensure the appropriate recognition and display for our sporting heritage in the proposed new WA Sports Museum where we anticipate our Betty Cuthbert piece will take pride of place.

Conclusion and Acknowledgements

I would like to extend my appreciation to a number of people and organisations, not the least my Joint Executive members and in particular WAOC Executive members, the Olympic Team Appeal Committee WA and Chair Hon. Richard Court AC, and the WAOC Alumni, especially the Olympians Club of WA. We are extremely appreciative of the time and commitment of our volunteer businessmen and women who comprise the Olympic Team Appeal Committee WA.

I have acknowledged the contribution of Seven West Media for its 10 year office hosting arrangements at TVW Channel 7 Perth in Tuart Hill, and again wish to acknowledge the support of the State Government through DSR, and the positive relationship with their staff.

The Carbine Club has been a committed advocate for the WAOC for a number of years and we are thankful for their annual contribution via the annual Carbine Club Olympic Luncheon. The relationship with the West Coast Eagles Football Club towards our fundraising is to be especially commended and we look forward to continuing both of those long standing relationships.

I would also like to thank a number of other people who were instrumental to our successful operations in 2015 including past Vice-President Gratton Wilson in transitioning the financial reporting processes with new Executive Officer Lisa Lilleyman, and also Steph Clements who coordinated the successful Champions to the Regions program.

I have expressed that we enjoy a close relationship with the AOC and in particular, aside from acknowledging the support of John Coates in the transition of the Olympic Team Appeal Committee WA and staffing, I wish to acknowledge the positive and direct working relationship we have with James Edwards as AOC Director, National Fundraising and Community Programs. His foresight and counsel has been much valued as we progress our fundraising initiatives in a climate of economic uncertainty.

Lisa, Liane and I all attended the 2015 AOC AGM and Lisa was extended the opportunity of an induction with the AOC Sydney office staff and familiarization with the AOC administration and financial systems. Liane attended the Olympians Club of Australia AGM. Whilst there has been a significant changeover of AOC staff in recent years, we are always received warmly.

In conclusion, the WAOC and the joint office have undergone significant change during 2015, and it has been through the work of the respective Presidents, the support of the Joint Executive members, the incumbent and immediate past Chairs of the Olympic Team Appeal Committee WA, and the professionalism and commitment of new Executive Officer Lisa Lilleyman that we have successfully transitioned these changes whilst maintaining the activity and enthusiasm in the organisation and continuation of our core fundraising initiatives.

I thank and congratulate them one and all and commend this report to you for endorsement.

GREG KAEDING
President
26 April 2016
EXECUTIVE OFFICER REPORT

I am honored to represent the Western Australian Olympic Council (WAOC) as Executive Officer and deliver to our members my first Executive Officer Report. Commencing employment in May 2015, the following 7 months presented many opportunities and challenges as a concerted effort was made to re-engage with our State Sporting Association’s and establish our Olympic fundraising program for the benefit of our 2016 Australian Olympic Team.

I would like to thank The President, Mr Greg Kaeding and the Executive of the WAOC for their support and guidance throughout 2015. On behalf of the WA Olympic Council, I would also like to formally thank Steve Lawrence and all the staff at the WA Institute of Sport for providing such a welcoming and supportive environment throughout our move to our new Office space in the WA Institute of Sport, it is very much appreciated.

The Department of Sport and Recreation continue to provide pivotal operational funding support and I recognise the valuable of their contribution and support they have given once again in 2015.

The anticipation and excitement continues to build as we approach the 2016 Olympic Games to be held in Rio de Janeiro from 5 – 21 August. One of the fundamental roles of the WAOC is to manage the Olympic Team Appeal Fundraising. In 2015 we were delighted the Hon. Richard Court AC accepted the invitation to Chair the Australian Olympic Team Appeal Committee who are responsible for raising the funds. Under Richard’s astute leadership, I am pleased to report the Team Appeal Committee are well on their way to achieving their target and more detail can be found in the Team Appeal report in the following pages.

Another key deliverable of the WAOC is to promote Olympism throughout WA and this has been achieved through a number of different activities in 2015 outlined in the Operational Report. Relationships continue to be a key driver in all the activities delivered by the Council and I am confident the relationships with Alumni, Athletes and our key stakeholders will continue to grow stronger.

The financial position of the WAOC remains solid with close scrutiny being continually placed on expenditure and ensuring we maximise the efficiency of our spending to gain the most beneficial outcome for the Council while being mindful of our Strategic Objectives.

Sound Governance principles underpins all our activities resulting in a transparent, responsible and sustainable incorporated association. A review of the WAOC Constitution was conducted during 2015 and key changes to be proposed at the 2016 AGM will be the recognition of our Indigenous Australians and ensure gender equity in all our practices.

For an Athlete to reach the pinnacle of their sporting career, and compete on the world stage, it takes years of dedication along with the support from many people on the Athlete’s journey. As the saying goes “it takes a village to raise a child” and what a wonderful village the Olympic family is. From Junior and Senior coaches within the State Sporting Associations through to State/National Sporting Institutes and ultimately National and Olympic Coaches. Olympic selection and competition is achieved through the commitment and dedication made by an athlete, the immeasurable support of coaches and their SSA’s, family and friends and together with the fundraising from the WAOC, our Western Australian Athletes can live their Dream in 2016.

I am looking forward to the Olympic year ahead helping Athletes realise their dream.

LISA LILLEYMAN
Executive Officer
OPERATIONS

Executive Committee
The WAOC has undergone a complete re-structure in 2015. The position of Executive Officer remained vacant at the beginning of the year and Melissa Magini was employed on a casual basis to deliver the 2015 AGM and provide administration support. Gratton Wilson, President of the ACGAWA and Vice President of the WAOC, was instrumental in securing the lease of new office space inside the WAIS facility. The WAOC would like to acknowledge and thank Gratton for the extraordinary amount of time and effort he put in to ensure the WAOC remained operational throughout the period without an employed Executive Officer.

The WAOC Executive also saw a changing of the guard in 2015. We farewelled long serving Vice President of the WAOC, Gratton Wilson. Gratton has been a valuable member of the Executive providing his financial expertise and extensive experience in sport management enabled the WAOC to continue to grow over his many years of service.

In April 2015, Sam Castiglione joined Allana Slater as joint Vice Presidents of the Council and Danielle Woodhouse OAM joined the Executive Team. In July Richard Elkington was welcomed onto the WAOC Executive Team. During the 2015 financial year four meetings of the WAOC Executive were held. A full list of the WAOC Executive can be found on page 43 of this report.

Secure storage of our Olympic and Commonwealth memorabilia has been generously provided by WAOC Executive member Richard Elkington. We thank Richard for his assistance with the move and for providing the secure facility for our precious memorabilia.

Staff
The WAOC operates under a joint office agreement with the Australian Commonwealth Games Association WA Division. In May, Lisa Lilleyman was appointed to the position of Executive Officer and by the end of May the WAOC had moved into its new office inside the WAIS facility. Transitioning to a new office with new staff has not been without its challenges, however, the move has proved a highly beneficial one where access to Athletes and Coaches has ensured relationship building and support to athletes is of prime importance. Relationship building remains one of primary driving forces inside the office as without the support of the Olympian Club of W.A, Olympians and Athletes and our members and key stakeholders the WAOC would not be able to deliver many of our programs and achieve our strategic objectives.

Membership
The WAOC represents a total of 27 Constituent members, 7 Recognised Sport members and 2 Associate members. Regular communication has been provided to our members and we look forward to further developing the important relationships with the SSA’s towards Rio 2016.

Activities
The WAOC strategic objectives underpinned all our activities and in 2015.

On the 3 July the Carbine Club Olympic Luncheon was held to support our Olympic Team Appeal. Various items were offered up for auction where proceeds go towards supporting the Olympic Team Appeal. We recognise and appreciate the annual support provided by the Carbine Club and their members for the benefit of the Australian Olympic Team.
5 August marked the ‘One Year to Go’ milestone to the 2016 Rio Olympic Games with celebratory activities taking place across the nation. The Australian Olympic Committee re-brand was also launched and has been widely well received. The new brand is described as being vibrant, bold and contemporary with iconic history and uniquely Australian as can be seen below.

The Historic Hale House was the location of the Olympic Team Appeal Launch on 7 August celebrating the ‘One Year to Go’ milestone. More detail on this occasion can be found in the Fundraising section of this report.

State Sporting Association (SSA) Sundowners form part of our re-engagement strategy. Our first Sundowner was held on 13 August at WAIS and we look forward to hosting regular future activities with our SSA’s. Members took a tour of the $33 million high performance centre thanks to Steve Lawrence, WAIS Executive Director.

Throughout the year our Olympians and athletes are given the opportunity to attend or present at various events in and around Perth. The appearances benefit the athletes by providing networking opportunities which can have a great impact on their life after sport. By attending events and presentations the athletes are also increasing their personal profile which may benefit their future sponsorship or corporate support arrangements. Athletes are given the opportunity to tell their story and how they got to where they are today, inspiring all audience members whether they be school children, aspiring Olympians or members of the corporate community.

On the 18 October Olympians Olivia Vivian, Jesse Phillips and Olympic hopeful Nina Kennedy appeared on Channel 7 in support of Telethon.

20 October our first Olympian Sundowner was held in an effort to re-engage with Olympic Alumni. More event detail can be found in The Olympians Club of WA report on page 21.

26-29 October Champions 2 Country Regional Tour. More detail can be found in the Program section of this report.

On 24 November the Olympic Team Appeal hosted their first fundraising event, the Rio Olympic Long Table Luncheon. It was a successful initiative and once again more details can be found in the Fundraising section of this report.

On 17 December the Joint Executive of the WAO C and ACGAWA hosted the Olympic Team Appeal Committee for a Christmas celebration in recognition and appreciation of their efforts towards raising funds for the benefit of our Australian Olympic Team.
KEY STAKEHOLDERS AND RELATIONSHIPS

State Sporting Associations
Members are the key to any organisation and our State Sporting Associations (SSA) are an integral part of our business. The position of Executive Officer was vacant for 9 months and coming in with a clear slate has allowed the development of various strategies to re-engage with our members. Quarterly newsletters are now distributed keeping our members up to date with the latest Olympic information. News from the Australian Olympic Committee forms some of the content ensuring the seamless transition of information and providing relevant Olympic information at a local level.

Bi-annual Sundowners are held giving an opportunity for SSA’s to network among their colleagues from other sporting codes and progress towards creating that “Olympic family” atmosphere. We look forward to further developing the relationship between the WAOC and the SSA’s to deliver mutually beneficial outcomes for the athletes we both work to support.

Western Australian Institute of Sport
The transition of the W AOC office to WAIS has been pivotal in the close relationships developed with Athletes and the WAIS staff in 2015.

We have developed strong individual relationships with many of our aspiring athletes, their coaches and support staff giving our athletes a personal introduction to the Olympic movement and increasing their public profile through media opportunities, corporate appearances and connection with WA community through our various initiatives. Through relationships with the WAIS athlete support staff we have been able to re-instate the Athlete Mentor Program aiming to develop athlete relationships with employers and industry that may lead to employment in the future and provides personal development opportunities. Further focus on implementation and engagement is required to raise the profile of this program.

Not only has the move to WAIS been beneficial for relationships, it has also given the WAOC the opportunity through our lease agreement with WAIS, to access function and meeting rooms to enable the efficient and professional conduct of our business and the ability to host our members and key stakeholders at the various meeting and functions throughout the year.

The vast majority of athletes selected to compete at the 2016 Rio Olympic Games will have received support from WAIS and we extend our congratulations and appreciation to them for the important role they play in developing our Olympians.

VenuesWest
Many of our Athletes train and compete at Venueswest facilities and our office being based inside WAIS, is a Venueswest facility. The relationship between our two organisations is important and the WAOC will continue to work with Venueswest in finding ways in which we can support each other in developing and supporting our athletes and promoting Olympism within the WA Community.

The Western Australian Museum
The Sports Museum previously located at HBF Stadium (formerly Challenge Stadium) has now completed its journey to the Western Australian Museum Archives where it will be held until the completion of the new WA Museum in 2020. Following consultation with WA Museum CEO Mr Alec Coles, the new space allocated within the Museum will suitably recognise and display the extraordinary achievements of our Western Australian Olympians ensuring their legacy continues.
FUNDRAISING

The WA Olympic Council is an affiliate of the Australian Olympic Committee and together with the other State Olympic Councils, as a collective, we are responsible for raising $8,000,000 towards sending the Olympic Team to compete at the 2016 Rio Olympic Games.

Western Australian athletes constitute approximately 10% of the Australian Olympic Team, therefore the WA Olympic Council, through the Australian Olympic Team Appeal Committee WA, have been set a fundraising target of $800,000. Fundraising monies are generated through a combination of high profile events along with State Government Grant and private donations and do not include sponsorship, licensing or marketing programs to support our WA Olympians competing on the world stage at the Olympic Games.

The Olympic Team Appeal Committee WA, a group of Western Australian business leaders, are responsible for raising the $800,000 for the benefit of our athletes competing at the Olympic Games. In 2015 we were thrilled to announce the Hon. Richard Court AC accepted the position of Chairman of the Olympic Team Appeal Committee WA and we are grateful for renewed enthusiasm and drive Richard has bought to the Committee.

J Barrey Williams, has continued his service to the Olympic Team Appeal Committee through his appointment as Executive Director. J Barrey’s wealth of knowledge has ensured the seamless transition in leadership of the Committee.
Acknowledgements
The WAOC would like to thank the members of the Team Appeal Committee who give up their time voluntarily. Their commitment to Fundraising for the benefit of our Australian Olympic Team is appreciated by the Council and the athletes alike.

One of the key components to the success of our fundraising activities is the support from our Olympic Alumni and aspiring Olympians who embrace the opportunity to be a part of the Olympic Team Appeal activities and we also thank them for their support. The valuable assistance to the Olympic Team Appeal by the staff and athletes at Hockey Australia, in particular Shane Tonkin, Simone Fountain and Angele Gray, continue to ensure our fundraising activities are a success and their support is very much appreciated.

Celebrating One Year to Go
On 7 August, marking the “One Year to Go” milestone, the Olympic Team Appeal Committee hosted a cocktail party at the Office of The Premier. The WAOC would like to acknowledge the support from the Western Australian State Government and the Department of Sport and Recreation through their grant of $266,000 towards the Olympic Team Appeal. The cheque was presented to the Hon Richard Court AC and Olympian Eamon Sullivan at the Cocktail Function.

Guests had the opportunity to hear from The Premier, The Minister for Sport and Recreation, Hon Richard Court AC, 2016 Australian Olympic Team Chef de Mission, Kitty Chiller and gain a personal insight into the Olympic experience from triple Olympian and 2xSilver and 1xBronze Medalist, Eamon Sullivan.

Olympians Simone Fountain, Allana Slater, Eamon Sullivan, Shane Tonkin, Danielle Woodhouse, Anna Flanagan, Georgia Nanscawen, Kiel Brown, Chris Ciriello, and Gareth Nichols together with Olympic hopefuls Tristan Clemons, Rachael Lynch, Kellie White, Tyler Lovell, Andrew Carter, Brodie Holmes and Rhys Grant attended the evening and we thank them for their support.
**Rio Olympic Long Table Luncheon**

The highlight of the 2015 fundraising program was the Rio Long Table Luncheon held on 24 November. We were delighted AOC President Mr John Coates AC accepted the invitation to co-host the Luncheon together with the Hon Richard Court AC.

The Luncheon was held in the private Boardroom of Mr Kerry Stokes AC and the 14 invited guests enjoyed this truly unique experience. Guests gained a privileged insight from John Coates AC into the AOC preparation for Rio and planning towards Tokyo 2020. The support received from John and the AOC was crucial to the success of the Luncheon and we appreciate their ongoing support.

Support from Perth corporate and private businesses ensured the Luncheon was a great success with $210,000 raised including Gold Table presales for our signature fundraising event The Premier’s Olympic Dinner. I would like to acknowledge Rio Tinto, Golden Group, Wesfarmers, Woodside, ABN Group, Seven West Media, Crown Resorts, Chemist Warehouse, McInerney Ford and Pendulum group for their contribution to the success of the Luncheon.

Olympians Jesse Phillips, Lauren Mitchell, Kim Mickle and Olympic hopefuls Danielle Ten Vaanholt, Deborah Tsai and George Ford attended the Luncheon and we appreciate their support.

Importantly, they inspire young Australians to participate in sport. We want all Australians to share in the spirit of the Australian Olympic Team and share their journey on the road to Rio. - Mr John Coates AC

**Premier’s Olympic Dinner**

The signature Olympic fundraising event has traditionally been the Olympic Athlete Farewell Luncheon. In 2015 we are thrilled to announce support from The Premier in his endorsement of the inaugural Premier’s Olympic Dinner to be held on 9 July 2016. Planning is well underway for this exclusive Black Tie event being touted as the highlight on Perth’s social and sporting calendar.

The Premier’s Olympic Dinner will be a fantastic evening of celebration. Being held only once every four years The Governor or Western Australia, The Premier, Australian Olympic Team Chef de Mission Kitty Chiller, many of Perth’s most influential business identities, 2016 Rio Olympians and Olympic Alumni will be among the 1000 guests who will experience this truly special night.
FUNDING

Department of Sport and Recreation

A key funding partner of the WAOC and ACGAWA joint office is the Department of Sport and Recreation (DSR). The 2015 grant is part of the 2016 Quad funding agreement with the DSR and in 2015 $50,000 was received contributing towards the operational requirements of the joint office.

We appreciate the continued funding from the State Government and the DSR, in particular Ron Alexander and Mitch Hardy for their support during 2015.

Our funding agreement with DSR focuses around the Joint Office Key Result Areas of:

1. Fundraising
2. Community and Athletes
   - Promoting the Olympic values in the WA community
   - Maintaining relationships with Olympic and Commonwealth Games athletes
   - Maintaining Olympic and Commonwealth Games history and records
3. Management and Finance, adherence to best practice

We are pleased to report each of the Areas has been successfully achieved in 2015.

DSR also provide funding for the Champions 2 Country Regional Tour and more detail of the tour can be found in the Programs report following.

Australian Olympic Committee

The AOC is the key funding partner of the WAOC. The funding provided assists in the delivery of our fundraising responsibilities and provides administrative support to the Olympians Club of WA.

The funding provided is in direct association with the level of fundraising required and is in line with accepted levels of administration costs associated with fundraising.

The WAOC appreciates and acknowledges the continued support of the AOC.
PROGRAMS

Champions 2 Country

The Champions 2 Country Regional Tour program seeks to improve the accessibility and affordability of influential elite athletes to regional schools and communities with the overall goal of improving health, spirit and wellbeing of the community.

The Wheatbelt Regional Tour was held from the 26-29 October under the stewardship of Stephanie Clements. The tour visited three of the major Wheatbelt regional centres of Narrogin, Merredin and Northam in addition to the towns of Williams, Corrigin, Bruce Rock, Tammin, Kellerberrin and York.

Visits were made to 14 schools and participation in activities with 9 sporting club visits, 2 coaches breakfasts, a Regional Talent Development (RTD) Academy visit and provided the opportunity for 3 community meet and greet activities. The tour reached well over 2,300 people in the Wheatbelt Region, including school students ranging from Pre-Primary to Year 12, aspiring young athletes, coaches and sports administrators.

Special thanks to our tour athletes and Olympians:

- Jake Whetton – Hockey – 2014 Commonwealth Games Gold Medallist
- Nina Kennedy – Athletics (Pole Vault) – 2015 World Championships, 2013 Youth Olympics Gold medallist
- Kate Jenner – Hockey – 2012 Olympian, 2014 Commonwealth Games Dual Gold Medallist
- Courtney Bruce – Netball – West Coast Fever, 2013 World Youth U21 Championships Silver Medallist
- Kaylia Stanton – Netball – West Coast Fever, 2013 World Youth U21 Championships Silver Medallist
The tour was an outstanding success due to the coordination of Tour Manager Stephanie Clements, Chaperone Greg Kaeding and Department of Sport and Recreation Wheatbelt Manager Jennifer Collins and her team.

The WAOC would like to acknowledge the financial support received from DSR to deliver the Champions 2 Country Tour.

Athlete Mentor and Corporate and Community Engagement
Athlete and sport mentoring is provided on a as needs basis and we are fortunate to have strong relationships with the Olympic alumni, athletes and Hockey Australia to deliver on requests from the community and corporates for the attendance of Olympians and athletes at various functions and activities across the state.

Working together with AIS, athletes are given the opportunity to enter a mentor/mentee relationship with members of the Olympic Team Appeal Committee who give freely of their time to impart their expertise in the area of identified benefit to the athlete.
OLYMPIANS CLUB OF WESTERN AUSTRALIA

“Once an Olympian - Always an Olympian

Never Past, Never Former”

I take pleasure in presenting the 2015 President’s Report on behalf of the Olympians Club of WA.

The aim of the Olympians Club in WA (OCWA) is to bring together Olympians from all eras and sports in the spirit of the Olympic Movement. We share a unique bond as Olympians and members of a small and elite group in the Olympians Club.

The OCWA Executive met on 4 occasions and continues to progress business by email in between meetings. It has been great to again have W AOC administration support since the appointment of new Executive Officer Lisa Lilleyman in May and the establishment of the new office at the WAIS high performance centre. The OCWA continues to enjoy a great relationship with the W AOC and I take this opportunity to particularly thank Lisa for the administrative support she has provided to the OCWA, and also to Greg Kaeding, President of the WA Olympic Council.

The Executive remains focused on providing opportunities for social interaction at OCWA activities held in conjunction with other sporting events, as well as providing alumni support to W AOC activities.

OCWA Water Polo Sundowner

On the 18th April the OCWA held its second Sundowner at the Melville Water Polo Club, in conjunction with their VIP and sponsors evening. The event was run in conjunction with the National Water Polo League Matches between Fremantle and the QLD Breakers. The function was a wonderful opportunity for our WA Olympians to catch up while enjoying a fabulous evening of competition, lovely food and a beautiful Perth sunset.
Champions 2 Country – Promoting Olympic Values in Regional WA

The Wheatbelt Regional Tour was held from the 26-29 October 2015. Main objective of the tour is to hear from high profile sporting role models to promote participation in sport and provide inspiration on issues including healthy lifestyle, leadership, team work, respect and the motivation to achieve goals, as well as share the spirit of community and the Olympic Games experience.

Our Olympians, Jayde Taylor (Hockey 2012), Olivia Vivian (Gymnastics 2008), Georgia Nanscawen (Hockey 2012), Kate Jenner (Hockey 2012) were among a group of 8 athletes visiting 14 Schools, facilitating approximately 2,300 people, travelling to the towns of Northam, York, Merredin and Narrogin. Social Media was popular again with #champions2country.

OCWA Facebook Page

The OCWA Facebook page continues to provide an extra platform to connect alumni that are keen to enjoy each other’s company, stay involved in OCWA events and rekindle the spirit of the Olympics within each and every Western Australian Olympian.

OCWA Sundowner

On the 20th October Olympians gathered at the new WAIS High Performance Service Centre for the Olympian Sundowner, a great chance to catch up with old friends. Guests were taken on a private tour of the $33m high performance centre by Steve Lawrence, WAIS Executive Director and were able to see first-hand the amazing resources and equipment available to athletes today, the recovery pools and altitude training facility a highlight. Greg Kaeding, President of the W AOC, and Danielle Woodhouse, OCWA Executive, provided an update on Rio Olympic preparations and the fundraising events in the pipeline.
Rio Olympic Long Table Luncheon – 24 November 2015

Rio hopefuls Lauren Mitchell (Gymnastics 2008, 2012), Jesse Phillips (Canoe/Kayak 2012) and Kim Mickle (Javelin 2012) chatted to WA fundraising supporters at the Rio Olympic Fundraising event. Corporate supporters got to hear first-hand how their support is helping our triple and dual Olympic hopefuls.

OCWA Christmas Luncheon

On 29 November, the annual Christmas lunch was held at Cambridge Bowls Club. The event was attended by 78 people, 40 of which were Olympians who between them have attended 72 Games (and won 13 Medals - 4 Gold, 5 Silver, 4 Bronze), with representation from every summer games since 1956. It was a festive occasion, again MC’d by WA Olympians Allana Slater and Jesse Phillips, filled with interviews, an Olympic quiz, raffle and a delicious buffet Christmas lunch to satisfy everyone’s appetite.

We conducted our regular Christmas raffle, the proceeds ($785) again being donated to Mission Australia’s Perth Christmas Lunch in the Park for the disadvantaged.
The Christmas lunch was again used to run our annual AGM. I would like to take this opportunity to recognise the current and outgoing OCWA Executive as follows:

# Resigned March 2014.

The OCWA will continue to look for opportunities to host functions in conjunction with local sporting events and Olympic milestone anniversaries.

**Olympians Club of Australia**

In May I again attended the annual meeting of the Presidents of the various State Olympians Clubs, as well as the AOC AGM as the OCWA delegate. It was a great opportunity to discuss common issues, share ideas and hear about activities being conducted in other states, as well as being updated about relevant AOC/IOC activities.

**Vale**

The Olympians Club of WA was saddened to hear of the passing of 2 Olympians:

**Brian Oliver**
Brian competed in hop step and jump at the Melbourne 1956 Olympic Games

**Allan Charleston**
Allan competed in Water Polo at the Rome 1960 Olympic Games.

In closing, I would also like to recognise the support provided by our Alumni through WAOC events and community/education/charity appearances.

(1) **CORPORATE INFORMATION**

The financial report of the Western Australia Olympic Council Inc. (‘WAOC’ or the ‘Council’) for the year ended 31 December 2015 was authorised for issue in accordance with a resolution of the Executive on 14 March 2016.

The Western Australian Olympic Council Inc. is an Association incorporated under the Associations Incorporation Act, 1987 of Western Australia and is domiciled in Western Australia.

The principal place of business is C/- Channel 7, Perth Studios, Gay Street, Dianella, Western Australia 6059.

The nature of the operations and principal activities of the Council are that WAOC acts to develop and protect the Olympic movement in the state of Western Australia in accordance with the Olympic Charter and the Constitution of the Australian Olympic Committee Inc. and to actively promote the fundamental principles of Olympism within the framework of sports.

(2) **STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**

The significant policies which have been adopted in the preparation of these financial statements are:

(a) **Basis of preparation**

This special purpose financial report has been prepared for distribution to the members of the Council to fulfil the Executive’s financial reporting requirements under the Associations Incorporation Act, 1987 of Western Australia and the Council’s constitution. The accounting policies used in the preparation of the financial report, as described below, are consistent with the financial reporting requirements of the Associations Incorporation Act, 1987 of Western Australia and the Council’s constitution, and are, in the opinion of the Executive, appropriate to meet the needs of members:

(i) The financial report has been prepared on an accrual basis of accounting including the historical cost convention and the going concern assumption.

(ii) The Council is not a reporting entity because in the opinion of the Executive there are unlikely to exist users of the financial report who are unable to command the preparation of reports tailored so as to satisfy specifically all of their information needs.

The members neither hold equity in, nor are financial lenders to, the Council and their membership is pursuant to the Olympic Charter as well as the Constitution.

Accordingly, the financial report has been prepared in accordance with the Associations Incorporation Act, 1987 of Western Australia and the Constitution, the basis of accounting specified by all Accounting Standards and Interpretations and the disclosure requirements of AASB 101 ‘Presentation of Financial Statements’, AASB 107 ‘Cash Flow Statements’, AASB 108 ‘Accounting Policies, Changes in Accounting Estimates and Errors’, AASB 1031 ‘Materiality’ and AASB 1048 ‘Interpretation and Application of Standards’ which apply to all entities required to prepare financial reports under the Associations Incorporation Act, 1987 of Western Australia and the Constitution.
(a) Basis of preparation con’t

The Executive has determined that in order for the financial report to give a true and fair view of the Council’s performance, cash flows and financial position, the requirements of Australian Accounting Standards and other financial reporting requirements in Australia relating to the measurement of assets, liabilities, revenues, expenses and equity should be complied with.

(iii) The financial report is prepared in Australian dollars.

(b) Statement of compliance

Certain Australian Accounting Standards and Interpretations have recently been issued or amended but are not yet effective and have not been adopted by the Council for the annual reporting period ended 31 December 2015. The Executive has not early adopted any of these new or amended standards or interpretations. The Executive has not yet fully assessed the impact of these new or amended standards (to the extent relevant to the Council) and interpretations.

This special purpose financial report complies with Australian Accounting Standards as described above.

(c) Income and expenditure recognition

Income, with the exception of fundraising, has been brought to account on an accrual basis and if not received at balance date is reflected in the statement of financial position as a receivable. Income received at balance date that is in relation to future years is brought to account as unearned income. Expenses have been brought to account as incurred and any expenses incurred but not paid for at balance date are reflected in the Statement of Financial Position as creditors.

(d) Government Grants

Government grants are recognised at their fair value where there is a reasonable assurance that the grant will be received and all attaching conditions have been complied with.

(e) Fundraising

The WAOC undertakes fundraising on behalf of the Australian Olympic Committee Inc (‘AOC’) and, as a result, all net fundraising revenue realised by the WAOC is recorded directly in the financial statements of the AOC.

At 31 December 2015, the WAOC had raised $405,475 for the 2013 – 2016 Olympic Team Appeal (2014: had a realised deficit ($5,354) for the 2013 – 2016 Olympic Team Appeal).

Net fundraising revenue is proceeds of fundraising less direct costs associated with fundraising.

(f) Income Tax

The WAOC is exempt from Australian income tax.
(2) STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES — con’t

(g) Cash and cash equivalents

The WAOC undertakes fundraising on behalf of the Australian Olympic Committee Inc (‘AOC’) and, as a result, all net fundraising revenue raised by the WAOC is recorded directly in the financial statements of the AOC. WAOC does not have a bank account and for administrative purposes, all cash transactions are processed by the AOC. The net cash position is reflected in a net receivable account at year end (refer note 5).

(h) Trade and other receivables

Trade receivables, which generally have 30 – 90 day terms, are recognised and carried out at original invoice amount less an allowance for any uncollectible amounts.

An estimate for doubtful debts is made when collection of the full amount is no longer probable. Bad debts are written off when identified.

(i) Plant and equipment

Acquisitions
Items of plant and equipment are recorded at cost or, in the case of donations and sponsorship contributions in kind, at fair value at the time of donation or contribution, less accumulated depreciation and any impaired value.

Depreciation and amortisation
Items of plant and equipment are depreciated on a straight line method over their estimated useful lives ranging from 3 to 5 years from the date of acquisition.

Impairment
The carrying values of plant and equipment are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable.

If any such indication exists and where the carrying values exceed the estimated recoverable amount, the assets are written down to their recoverable amount.

The recoverable amount of plant and equipment is the greater of fair value less costs to sell and value in use. Value in use is the depreciated replacement cost of an asset when the future economic benefits of the asset are not primarily dependent on the asset’s ability to generate net cash inflows and where the Council would, if deprived of the asset, replace its remaining future economic benefits.

Impairment losses are recognised in the Statement of Comprehensive Income.

(j) Trade and other payables

Expenditure is brought to account on an accruals basis. Any expenses incurred but not paid for at balance date are recorded as payables on the Statement of Financial Position.
(k) Employee benefits and expenses

(i)  Wages, salaries, annual leave and long service leave

Expenses for wages and salaries, including non-monetary benefits, annual leave and long service leave are recognised when the wages are paid or payable, benefits are received or leave is accrued and are measured at the rates paid or payable.

(ii) Superannuation

The Council contributes to the AOC group employee superannuation scheme as well as any authorised employee superannuation scheme chosen under Superannuation Legislation Amendment (Choice of Superannuation Funds). Contributions on behalf of employees are based on various percentages of gross salaries and are charged against the Statement of Comprehensive Income when due. All employees in the group employee superannuation scheme are entitled to benefits on retirement of permanent disability. Benefits are payable to nominated beneficiaries on death.

(l) Interest

‘Interest paid’ and ‘Interest received’ are not classified in the Statement of Cash Flows as WAOC has no bank account. Interest recorded and applied in the Statement of Comprehensive Income has been received by the WAOC, based on deposits held by the AOC on behalf of the WAOC. Interest is recorded when received and used in the general operations of the WAOC.

3) SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

In applying the accounting policies the WAOC evaluates judgements, estimates and assumptions based on experience and other factors, including expectations of future events. All judgements, estimates and assumptions made are believed to be reasonable based on the most current set of circumstances available to WAOC. Actual results may differ from the judgements, estimates and assumptions.

(14) AUDITORS REMUNERATION

Costs of the audit of the WAOC are borne by the Australian Olympic Committee Inc.

(15) GOING CONCERN

The financial statements have been prepared on a going concern basis.

The Council's ability to continue as a going concern is dependent on receiving ongoing support from the Australian Olympic Committee Inc. and government grants. The Executive has prepared a forecast for the 2016 year which indicates that with the support of the Australian Olympic Committee Inc. the council will be able to meet their financial obligations as and when they fall due.

On that basis the Executive believe it is appropriate to adopt the going concern basis in the preparation of these financial statements.
In the opinion of the Executive of the Council:

(a) the financial statements and notes of the Council as set out on pages 1 to 11 are drawn up so as to give a true and fair view of the Council’s financial position for the year ended 31 December 2015 and of their performance for the year ended on that date; and

(b) the financial statements and notes have been prepared in accordance with the basis of accounting described in Note 2; and

(c) there are reasonable grounds to believe that the Council will be able to pay its debts as and when they become due and payable.

This statement is made out in accordance with a resolution of the Executive.

Signed on behalf of the Executive at Perth this 14 March 2016.

GREG KAEDING
President

ALLANA SLATER
Vice President
Independent auditor’s report to the members of Western Australian Olympic Council Inc.

We have audited the accompanying special purpose financial report of the Western Australian Olympic Council Inc., which comprises the statement of financial position as at 31 December 2015, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, a summary of significant accounting policies, other explanatory notes and the Statement by the Executive.

Executive’s Responsibility for the Financial Report

The Executive of the association is responsible for the preparation of the financial report and have determined that the basis of preparation described in Note 2 to the financial report is appropriate to meet the financial reporting requirements of the Associations Incorporation Act 1987 of Western Australia and the Council’s constitution and is appropriate to meet the needs of the members. The Executive is also responsible for such controls as they determine are necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, we consider internal controls relevant to the entity’s preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Executive, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit we have complied with the independence requirements of the Australian professional accounting bodies.
Opinion

In our opinion the financial report presents fairly, in all material respects, the financial position of the Western Australian Olympic Council Inc. as of 31 December 2015 and its financial performance and its cash flows for the year then ended in accordance with the accounting policies described in Note 2 to the financial statements.

Basis of Accounting

Without modifying our opinion, we draw attention to Note 2 to the financial report which describes the basis of accounting. The financial report is prepared to assist the Western Australian Olympic Council Inc. to meet the requirements of the Associations Incorporations Act 1987 of Western Australia and the Council's constitution. As a result the financial report may not be suitable for another purpose. Our report is intended solely for the Western Australian Olympic Council Inc. and the Executive and should not be distributed to parties other than the Western Australian Olympic Council Inc. or the Executive.
