Village Art

How do artists communicate through their artwork?

Our Australian Olympic Team will be competing in Tokyo from the 23rd July 2021.

They need our support!

Your artwork will decorate the walls at the athlete's village in Japan!

What sort of images and words would encourage the athletes to perform at their best?

Educator Notes

 SUGGESTED
DURATION

60+
MINS

Provocation

Past Olympic Village art
(Slides 4 – 7)

Students will:

- / Discuss previous village art and the purpose of the artwork for the Australian Olympic Team
- / Analyse previous village art for key elements that reflect messages of support, icons, images, symbols and reflect the Olympic movement
- / Brainstorm elements that could be included in your village art
- / Create a piece of artwork for the Australian Olympic Team in Tokyo 2021

What you need

- / Print colour slides 4 – 7 on A3 or use the PPT to show to the class
- / A3 paper for each child and art materials such as pencils, paint, textas or crayons

Would you like more?

- / Write a letter of support for the Australian Olympic Team and glue it to the back of your artwork

Olympic Games Village Art

These artworks have been prepared by school students for the Australian Olympians at previous Olympic Games.

What can you see in these artworks?

What colours have they used?

What images have they used?

How do you think the artwork makes the Olympians feel?

Which artwork do you prefer and why?
