

GANGWON 2024 YOUTH OLYMPIC WINTER GAMES

Village Art

A DISPLAY OF UNITY

Our Youth Olympic Winter Team will compete in Gangwon from 19 January to 1 February 2024.

Get your students artwork on the walls of the athlete's village in Gangwon!

Our winter athletes are set to compete on the international sporting stage, and they'd love your support.

Student artworks really help them to feel the support from back home, brightening up the village and get them ready to represent Australia!

Check out our guide and have a go at these fun activities in the classroom.

A couple of ideas to get you started:

- / Paint, textas, crayons, oil pastels, stamp pads or pencils
- / A3 paper (coloured or white) – for painting or print templates onto A3 paper
- / Use the Olympic ring colours (blue, black, red, yellow, and green)
- / Use the Australian Team colours (green and gold)
- / Draw around objects like container lids, stamps or toys, to create shapes
- / Use simple tools to paint (brushes, straws, sponges)
- / Use one of the templates to colour-in or paint over

THANKS FOR YOUR SUPPORT!

Submit your art by Friday 8 December 2023.
