

Create your Winter Olympic

Village Art

Submissions close

Friday 5 December 2025

The Australian Olympic Team will compete in the Milano Cortina Games 2024 Olympic Games from 6 to 22 February 2026.

We invite you to be part of the action in Paris by inspiring your students to unleash their creativity and contribute to the walls of the Olympic Village through art!

Student artworks serve as a powerful reminder of the support from back home, adding vibrancy to the village and instilling a sense of pride as they prepare to represent Australia!

Requirement: To give your students artworks the best chance of making it to the Olympic Village, please ensure they are securely mounted onto a thick backing board.

A couple of ideas to get you started:

- ✓ Paint, textas, crayons, oil pastels, stamp pads or pencils
- ✓ A3 paper (coloured or white) – for painting or print templates onto A3 paper
- ✓ Use the Olympic ring colours (blue, black, red, yellow, and green)
- ✓ Use the Australian Team colours (green and gold)
- ✓ Draw around objects like container lids, stamps or toys, to create shapes
- ✓ Use simple tools to paint (brushes, straws, sponges)
- ✓ Mount artworks onto thick backing boards

Thanks for your support!
