

## **Dakar 2026 Summer Youth Olympic Games – Nurse**

### **Expression of Interest**

Thank you for your interest in being part of the AUS Team Behind the Team for the Dakar 2026 Youth Olympic Games. The following will provide you with all the information that you require to express your interest in the nurse position.

### **DAKAR 2026 YOUTH OLYMPIC GAMES**

The Dakar 2026 Youth Olympic Games will commence on 31<sup>st</sup> October 2026 and conclude 14<sup>th</sup> November 2026. The Games will be held in Dakar, Senegal located in West Africa. The Australian Team will be approximately 80 people comprised of 39 athletes and 41 officials.

### **ROLE SPECIFIC INFORMATION**

The nurse position will be a member of the medical team for the Australian Team. The AOC are seeking a volunteer that fulfils the following criteria:

- AHPRA Registered Nurse
- Current CPR Certificate
- Have completed the ASADA Level 1 Anti-Doping, Level 2 (current year) Anti-Doping and Medical Practitioner & Athlete Support Personnel courses

### **ELIGIBILITY**

You must fulfil the following criteria to be eligible to apply:

- Have demonstrated commitment to the Olympic movement and/or its ideals.
- Be available to travel and attend the Games in Dakar from mid-October 2026 to mid-November 2026.
- Preferred experience of successful travel with teams to international competition.
- Currently or recently working within the Australian high performance sport system.
- Be able to reassign any other professional commitments for the duration of the Games and pre-Games duties.
- Be flexible and prepared to take on activities outside of your prescribed role.
- Be prepared and understand that during Games-time there is a requirement to work long hours in high intensity situations.

### **TIME COMMITMENT**

#### **Pre-Games**

- Attendance at Team Behind the Team online onboarding sessions
- Complete ~1.5 hour online compliance training
- Ability to join Medical Team planning meetings as required

#### **Games-Time**

- Attendance at the Dakar 2026 Youth Olympic Games including possible travelling to Dakar ahead of the Games for set up (if required).

## KEY RESPONSIBILITIES

- Reporting into the Chief Medical Officer with injury/illness updates
- Dealing with a range of illnesses which may be encountered in general practice and sports medicine practice environments
- Providing clinical administration support to the medical team including booking appointments, records management, patient care, isolation procedures, wound care and medication dispensing
- Be aware of the compliance infrastructure and work in a manner which minimises exposure to reputational, regulatory, financial, operational and/or commercial risks to the AOC
- Maintain an understanding of the AOC's commitment and expectations of our [Child Safe Policy](#) and take action to ensure we do our utmost to protect children and young people from harm
- Be mindful of health & safety obligations & responsibilities to ensure the AOC complies with regulations and provides a safe workplace for all employees and volunteers

## APPOINTMENTS

Appointments made through this EOI process are volunteer positions

- If you are an employee of a National Institute or Olympic Member Sport a secondment arrangement will be made with your organisation.
- If you are not an employee of a National Institute or Olympic Member Sport a volunteer agreement will be put in place directly with you. In recognition of your effort the AOC will provide you with an honorarium and will reimburse reasonable expenses associated with your role.
- For any appointment (volunteer or secondment) the AOC will provide economy flights to and from the Games as well as accommodation, uniform and meals.

## HOW TO APPLY

Please complete the EOI form via the link: [AOC Expression of Interest Form](#). Applications close Sunday 21 June. Interviews will be conducted, and appointments will be made after this time.

Please note you will need to complete the EOI form in one sitting as there is not the opportunity to save the form. To complete the application, you will require:

- Resume
- Cover Letter
- Working with Children Check (WWCC)
- Passport style photo (for accreditation purposes)
- Copy of APHRA Nurse Registration
